Spill Prevention Program

Gentlemen:

In accordance with your request, we are pleased to submit herewith, four (4) copies of the discharge prevention containment or counter-measures plan for the above captioned facilities. This plan has been amended to include the entire drainage-plumbing system for the entire property. A separate plan includes that portion of the drainage system which services the treatment facilities.

We trust that the enclosed information will be adequate to enable you to complete your review of the proposed installation. If there is any further information we can supply, please do not hesitate to call upon us.

Respectively submitted,

Robert J. Ballis,
President
